

2026 UPDATED RENEWAL PROCESS

Please note: in order to start the renewal process you first must have created an account on our new licensing site AND you must have linked your license to the new account. Instructions for setup are listed on both of our websites' home pages. If you're having trouble with the setup process, please give our office a call at 402-471-3550 or send an email to: SED.OfficeStaff@nebraska.gov

To double check that your license was renewed, from the home screen click “My Credentials” again and once again click the arrow next to your license information. Next, you’ll want to click the “Summary” tab and that will show your license’s new expiration date as well as some other information.

Renewal Process													
Step #	Directions												
1.	Login to our new licensing and permitting system here: https://nesedprod.state-reg-central.tylerapp.com/portal/public												
2.	 My Credentials Find the “My Credentials” tile and click it :												
3.	Find your license number that you want to renew in the list, then click the arrow next to it, under “Actions”: My Credentials <table><thead><tr><th>Credential #</th><th>Name</th><th>Credential Type</th><th>Status</th><th>Address</th><th>Actions</th></tr></thead><tbody><tr><td>JA00010916</td><td>Test, Robert</td><td>Journeyman Electrician</td><td>Active</td><td>123 Main STL Lincoln, Nebraska - 12345, United States</td><td></td></tr></tbody></table>	Credential #	Name	Credential Type	Status	Address	Actions	JA00010916	Test, Robert	Journeyman Electrician	Active	123 Main STL Lincoln, Nebraska - 12345, United States	
Credential #	Name	Credential Type	Status	Address	Actions								
JA00010916	Test, Robert	Journeyman Electrician	Active	123 Main STL Lincoln, Nebraska - 12345, United States									
4.	Click the “Apply” button next to the line that mentions renewal for the license type that you want to renew.												
5.	Start working your way through the application.												
6.	Please Note: If you hold a non-apprentice license you will need to have 12 hours of continuing education credit hours loaded onto your file in order to be able to move through the application. If you are an apprentice, you are not required to complete continuing education in order to renew, but if we do not have it on file you will have a 3 month penalty added onto the requirement to qualify for an exam. If you have any questions about this, please call or email our office. See contact info at the top of this page.												

7.	Once the continuing education requirement has been fulfilled, you will see the blue message below and you can continue forward:  The screenshot shows a web interface for CEU Requirements. At the top, it says 'CEU Requirements' and 'Next: Applicant Information' with a 'Hide Steps >' link. A blue banner contains a bell icon and the text 'The requirements have been met.' followed by a bullet point: 'Your reported courses have met the requirements.' Below this is a section titled 'Continuing Education Status' with a 'View Education Information' button. A message states: 'Before submitting this application for renewal, you must meet all continuing education requirements.' Under 'Current Status', it says 'The requirements have been met.' At the bottom right are 'Back' and 'Next' buttons.
8.	Continue through the rest of the application until the end. If your address, phone number, or email address has changed, make sure to edit the boxes in the application to reflect your new information.
9.	When you submit payment, make sure to hit the blue “Continue” button at the very end to bring you back to the OKTA website and to finish the application.

To double check that your license was renewed, from the home screen click “My Credentials” and click the arrow next to your license information again. Next, you’ll want to click the “Summary” tab and that will show your license’s new expiration date as well as some other information.
